

Amendments to the Claims:

This listing of claims will replace the prior version, and listing, of claims in the application:

Claims 1 -13 (cancelled)

Claim 14 (new): A method of therapeutically or prophylactically treating infection of the skin, scalp or nails, by administering to the individual in need of treatment a therapeutically or prophylactically effective amount of a composition comprising 5% polyisoprenylated benzophenones wherein the polyisoprenylated benzophenones comprise 3% garcinol and 2% cambogin formulated with pharmaceutically acceptable carrier.

Claim 15 (new): A method as in Claim 1 wherein the polyisoprenylated benzophenones composition is administered orally, topically or transdermally to the individual in need of treatment.

Claim 16 (new): A method as in claim 1 wherein the skin infection being treated is acne.

Claim 17: A method of therapeutically or prophylactically treating inflammation of the skin or connective tissues by administering to the individual in need of treatment a therapeutically or prophylactically effective amount of a composition comprising 5% polyisoprenylated benzophenones wherein the polyisoprenylated benzophenones comprise 3% garcinol and 2% cambogin formulated with pharmaceutically acceptable carrier.
